Teddy Bear Picnic

11:00-14:00

Bring your picnic
blanket and picnic
and join us for a
fun filled day.

Ducklings

In babies we have enjoyed spending time in the sun in the paddling pool. We have also enjoyed exploring different paints and shaving foams to create some crafty pictures.

We have also been looking at how butterfly's move listening to different music to move to like a butterfly.

Bunnies

In toddlers we have been looking at things that grow, focusing on butterflies and sunflowers. We also grew our own sunflowers and have been watching how tall they grown compared to how tall we are.

Little Farmers

In preschool the children have been very busy learning about the life cycle of a caterpillar, they have been learning to write their names and numbers 1 -20. They have also been busy planting some cress seeds to watch how they grow at home.
